HIGH SCHOOL DEFEATS FACULTY TEAM 15-14

Closing of School Celebrated at Ball Ground by High Score Contest—Prof. Grimm Does Twirling for Faculty Aggregation.

The high school baseball team and a team representing the faculty played nine innings of baseball at the ball grounds Thursday afternoon in celebration of the closing of school. Apparently the high school people were happier than the faculty over such an auspicious event for they walked away with the struggle 15 to 14.

S. R. Grimm, principal of high school, Latin teacher, football coach and several other things, essayed to pitch. It might be wise to explain that he hasn't been doing much pitching of late; anyhow the high school sluggers slugged the horsehide for fourteen hits and Grimm's teammates piled up behind him seven errors, most of them juicy ones. Still the faculty team did some batting, and landed out 11 safe bingles, one of which was a corking three bagger.

The leading scorer of the day was John Lutes, of the faculty team, he tallying four runs. Pfleghardt and Paluso covered the circut three times apiece. Oh, yes, the umpires! They

BOXING---BUCK STYPERK VS JOHNNY CELMAR, AT THE CHARLEROI RINK SATURDAY NIGHT

FIFTY HIGH SCHOOL GIRLS TO CONDUCT FLAG DAY SALE HERE

Charleroi-Monessen Hospital Auxiliary Arranges Hospital Benefit

EACH TO CARRY SEALED BOX

Some Will Remain Here, Others Will Go to Monessen, and Still Others Will Invade Belle Vernon, Fayette City and Various Valley Towns

Towns of the upper Monongahela valley will be invaded by a half hundred high school maidens from Charleroi tomorrow in an earnest, enthusiastic endeavor to raise funds for the Charleroi-Monessen hospital by the sale of tiny button hole flags. The day will be known as Flag Tag day and the sale will be conducted under the auspices of the Charleroi Ladies' Hospital Auxiliary.

Fifty high school girls have volunteered their services for the day, and have been assigned towns. The sale will be conducted from 9 o'clock in the morning until 9 o'clock at night.

Each girl will carry a sealed box that will not be opened until she reaches headquarters at night. Into the box will be dropped whatever sum the buyer of a flag wishes to give. Flags are two inches square, arranged with a pin for fastening on the coat lapel.

Twenty of the girls will remain in Charleroi for the day, eight or ten will go to Belle Vernon, three or four to Speers, a number to Fayette City and an even dozen to Monessen. Some of them may visit other towns. Mrs. A. O. Davis is the president of the hospital auxiliary in the charge of the affair.

The cantata was well rendered and well received. At the conclusion of the singing, Dr. George Hackett, the pastor of the First Presbyterian church where the concert was given made a few remarks. COUNTY HELPING IN RELIEF WORK

Organization Meeting at Pittsburg to Bring Together Large Number

CHARLEROI IS REPRESENTED

Washington county will have a prominent part in the organization of the Pittsburg and Western Pennsylvania Committee for Relief in Belgium which will be effected this evening at Kauffman's auditorium, in Pittsburg.

More than 1,000 representative citizens of the western half of the state will attend and plans will be made to carry on campaigns simultaneously in all the cities and larger towns in Western Pennsylvania.

The Charleroi delegation to attend the affair is composed of Burgess S. L. Woodward, Louis Goazion, Emile Manandise and Floyd Chalfant of the Mail.

A luncheon for women was served at 1 o'clock at which plans for relief work were discussed. Miss Isabella Dorbritz of the Mail is the only one from Charleroi attending the event.

BOASTED POLICE COULDN'T ARREST HIM; THEY DID

James Johns came here from Pittsburg Thursday, imbibed freely and boastfully declared his prowess, declaring the Charleroi police could not arrest him. They did and after letting his ardor cool in the lockup put him on a car marked "Pittsburg."

BASEBALL FEAST AT FORBES' FIELD UPON RETURN OF PIRATES

Quite a card is to be offered by the Pirates in the way of a baseball feast upon their return home from the present eastern trip. Closing their eastern jaunt at Brooklyn today the Corsairs arrive in Pittsburg Saturday for a doubleheader that day with the St. Louis Cardinals, this dual offering coming about through the game of May 31, the morning game to be called at 10:30 and the afternoon game at 3 o'clock. The Chicago Cubs are the Buccaneers opponents on this occasion and as the rivalry between the set of old enemies is stronger than ever, now that Roge Bresnahan is managing the Windy City craft, there can be no question as to the 'strenuosity' of these two bouts.

The Cubs looked to be one of the strongest contenders in the 1915 race and as the new Pirate lineup is undoubtedly the strongest Skipper Clarke has skippered since the palmy days of the famous Clarke-Wagner-Leach combination, there need be no fear either as to the quality of the ball that will be served up. GETTING UNDER THE FLAG

There's something to be read with satisfaction from reports from New York city and different parts of the country telling of the rush of men of foreign birth to take out their first papers and to complete their naturalization as citizens of the United States. It is worthy of thought in connection with so much as has been spoken and printed concerning the war in Europe that indicated that while citizenship was here hearts were back in Europe whose forms of government and ideals might still have a larger hold upon naturalized citizens here than the new ideals for which this republic stands, says the McKeesport News.

This smoewhat remarkable haste to come under the Stars and Stripes, taken in connection with the one voice with which America has spoken through President Wilson, ought to disabuse the minds of all who may have held the notion that here we have nothing which the naturalized and their descendants could hold in common with larger regard than they could have for their native lands. These men born in lands across the seas have come here to better their condition to escape much there they could not in their love of liberty endure longer.

It takes courage to forsake the old home, the family ties and friends and cast lot in a new land amid new surroundings, new ideals and institutions and theories of government worked out in expression of popular will; it takes determination and willingness moreover to adjust oneself to all these, to learn a new language and comply with new customs, and yet at the moment when the crisis in affairs is approached this courage and will and determination asserted themselves and the naturalization courts were the first place sought by hundreds the country over. They would prefer to be under the Stars and Stripes and fight for them if necessary to being aliens in the country.

Danville, Va.—"I have only spent ten dollars on your medicine and I feel so much better than I did when the doctor was treating me. I don't suffer any bearing down pains at all now and I sleep well. PICKED UP IN PASSING

Mrs. Jones bought a chicken at the family butcher shop and after embellishing it with bread crumbs, cranberries and other glad things, she proudly set it forth before the head of the family.

"What is the matter, John?" inquired the wife, with an anxious look as hubby laboriously carved the bird and began to apply it to his appetite. "Isn't the chicken all right?"

"Why, yes; I guess he is all right, dear," was the hesitating reply of the father. "But I fear he is a very great coward."

"A great coward?" returned the perplexed wife. "What do you mean?"

"Don't they saw, Mary," smilingly replied the old man, "that the bravest are always the tenderest?"

(Continued from page one.)

fast and heady, the Buccaneers are putting up one of the most interesting games in baseball today, as witness their work against the champion Boston team this trip, when they did all but stand the famous Beaneaters on their cultured heads in two out of three games played. It is the kind of ball that appeals to and holds the interest and attention of the spectator from beginning to end. That the fans are awake to this baseball spread that is being offered them is evidenced by the mail orders for tickets being received by the Pittsburg Baseball Club management, who, as usual, are taking care of their out-of-town patrons by their mail order system.

To the Business Men of Charleroi

Message No. 3

When a good salesman goes out after business he first puts on a clean collar and gets his shoes shined. Then he *looks* like more business—and he's made a flying start toward getting it.

Likewise, a community can go after more business—and get it. The "clean collar and shiny shoes" of this town are the well-painted stores, the bright, cheery homes, the fresh, clean-looking buildings. The part paint plays in building up local pride cannot be put in figures—but its good effects are recorded on the local merchants' sales sheets. Buy good paint. We recommend

Dutch Boy Beymer-Bauman Armstrong-McKelvy **White Lead**

and Dutch Boy linseed oil. There is nothing else so satisfactory, so lasting and cheap in the long run. Sold by all good paint dealers. Get in touch with your dealer today.

Had Lung Trouble and Expected to Die

The many recoveries brought about by Eckman's Alterative are attracting wide attention. Read about this case—

3d & St., Keyser, W. Va.

"Gentlemen:—I was taken sick in November, 1908. I grew steadily worse. Had two consultations. The verdict was the fever had affected my lungs and that my case was hopeless; only gave me two months to live. My physician had tried most all kinds of treatment and none did me any good, so he asked my husband if he objected to him trying a proprietary medicine. I began your Alterative. I was in bed from November 30, 1908, until February 25, 1909, and was thought dying several times. Today I am healthier and stronger than ever." (Abbreviated.)

(Signed) MRS. H. K. BRILEY.

Eckman's Alterative is most efficacious in bronchial catarrh and severe throat and lung affections and up-building the system. Contains no harmful or habit-forming drugs. Accept no substitutes. Small size, $1; regular size, $2. Sold by leading druggists. Write for booklet of recoveries

Theodore Roosevelt said: "If you are going to do anything for the average man you have got to begin before he is a man." Are you doing it for the future man in your home?

CREDIT GUIDE

For This District as a Basis of Credit

By this system each individual is placed on record, showing how many places they secure credit, and with what degree of promptness they pay their bills. The book will show, not the financial standing, but the CREDIT STANDING of everybody, man or woman, who trades on time, and as it is not a financial rating the poor man who pays his bills promptly will secure higher rating than the man with means who does not.

Now is the time to pay your old accounts and secure a
